Poison the fountain, and the stream is
impure; poison the blood, and the system is
carried through the entire system—those
innumerable veins and arteries carry dis-
ease and death instead of life and vitality.
As a result, you have Headache, Scrofula,
Dyspepsia, Kidney Disease, Liver Com-
plaint and General Debility. An inactive
Liver means poisoned blood; Constipa-
tion means poisoned blood; Kidney dis-
order means poisoned blood. The great
antidote for impure blood is Dr. J. H. McLean's
Golden Medical Discovery. Acting
directly upon the affected organs, it
restores them to their normal condition.
"A word to the wise is sufficient."

Give the Children a Chance.
There is something radically wrong
with the health of a child when it seems
listless, has no appetite, eyes
sunken and with dark skin beneath. In
most cases showing these symptoms the
child has worms, and all that it needs is
some simple remedy, such as Hart's Worm
Cream, to expel the worms, and the child
will soon be in perfect health again. Par-
ents, try it and let your little ones have
a fair chance for life.

have never tried it, you are one of the

The Burden of Womanhood.
Thousands of women are silently suf-

shrink from consulting a physician in
those numerous complaints arising from
functional irregularities and disorders.
Many a modest girl and woman prefers
to bear her heavy burden in silence rather
than to go to the family physician for
advice. All sufferers from this class of
disorders can, however, find prompt and
sure relief in Dr. Pierce's Favorite Pre-
scription. It is a specific in such cases,
and has lightened the distress of count-
less women by restoring them to perfect
health.
